

AGNIESZKA TYMULA

School of Economics
Room 601, Social Sciences Building (A02)
The University of Sydney
agnieszka.tymula@sydney.edu.au
www.tymula.com/agnieszka

CURRENT POSITIONS

- 2020 - Professor
School of Economics, University of Sydney
- 2020 - Chief Investigator
Australian Research Council Centre of Excellence for Children and Families over the Life Course
- 2019-2021 Elected Board Member
Society for Neuroeconomics
- 01/2014 - Visiting Affiliated Faculty
Institute for the Study of Decision Making, New York University

PREVIOUS POSITIONS

- 2017-2019 Associate Professor, School of Economics, University of Sydney
- 09-12/2019 Visiting Associate Professor (invited sabbatical), New York University, Abu Dhabi
- 2014-2019 Fellow at the ARC Centre of Excellence for Children and Families over the Life Course
- 2016-2017 Senior Lecturer, School of Economics, University of Sydney
- 2015-2017 Discovery Early Career Research Award Fellow, University of Sydney
- 2013-2015 Lecturer, School of Economics, University of Sydney
- 2010-2013 AXA Post-Doctoral Fellow, Center for Neuroeconomics, New York University
- 2006-2008 Visiting Research Fellow, Economics Department, Northwestern University

EDUCATION

- 2003 – 2009 Ph.D. in Economics, Bocconi University
- 2003 - 2004 M.A. in Economics, Bocconi University

RESEARCH INTERESTS

Neuroeconomics, Experimental Economics, Behavioral Economics, Microeconomic Theory

KEYNOTE/PLENARY TALKS

- Nov. 2018 Australia New Zealand Workshop in Experimental Economics, Auckland, New Zealand
- Sep. 2018 13th Nordic Conference in Behavioral and Experimental Economics, Odense, Denmark
- Apr. 2018 Virginia Tech University Public Lecture at the Workshop on Advances in Decision Theory
- Feb. 2018 Asia-Pacific Economic Science Association Meetings, Brisbane, Australia
- Feb. 2018 Society for Experimental Finance Meeting, Brisbane, Australia
- Sep. 2017 European Economic Science Association Annual Meeting, Vienna, Austria

PUBLISHED PAPERS

- Tymula. 2019. Adolescents are more impatient and inconsistent, not more risk-taking, when observed by peers – a comprehensive study of adolescent behavior under peer observation. *Journal of Economic Behavior and Organization* 166:735-750

PUBLISHED BOOK CHAPTERS

Tymula. 2019. Brain Morphometry for Economists: How do Brain Volume Constraints Affect Our Choices? in *Biophysical Measurement in Experimental Social Science Research*, Foster (Eds.), ELSEVIER

Tymula and Glimcher. 2018. How are emotions integrated into choice? In Davidson, Shackman, Fox, and Lapate (Eds.) *The Nature of Emotion*, 2nd Edition. Oxford University Press

Tymula. 2017. Tolerance for Ambiguity. In Moghaddam F.M. (Ed.) *The SAGE Encyclopedia of Political Behavior*, SAGE Publications, Thousand Oaks CA

GRANTS – over \$33 million in research income as a Chief Investigator

Australian Research Council

Centre of Excellence, 2020-2026, \$32,137,007, <10% success rate

Discovery Project Grant, 2019-2021, \$378,000, 18% success rate

Linkage grant, 2016-2019, \$293,000, partner: Sydney Opera House

Discovery Early Career Researcher Award, 2015-2017, \$378,000; 14% success rate

Other sources

University of Sydney Faculty Research Support Scheme, 2018 (\$8,000)

University of Sydney Bridging Support Grant, 2018 (\$30,000)

University of Sydney Faculty Research Support Scheme, 2016 (\$21,827.95)

LCC (Australian Research Council Centre for Research Excellence) Capacity Building Grant, 2015 (\$30,000)

Faculty Incubator Grant, University of Sydney, 2014 (\$4,900)

AXA Insurance Group Post-Doctoral Fellowship, 2012-2013; 2-year, full support fellowship (EUR 120,000; 7% success rate)

Dissertation Completion Grant, Bocconi University, 2007-2008

Summer Institute in Behavioral Economics Grant, Trento, Italy, 2006 (sponsored by the Russell Sage Foundation's Behavioral Economics Roundtable and University of Trento)

Ph.D. Fellowship, Bocconi University 2004-2006

Fondazione Invernizzi scholarship, Bocconi University, 2003-2004

Erasmus/Socrates scholarship, Copenhagen Business School, Denmark, 2001

University of Gdansk scholarship granted each year for academic excellence, 1998-2003

AWARDS

2017 Society for Neuroeconomics Early Career Award for Contributions to Understanding Decision-Making (USD 1,000)

2014 Deans Citation for Outstanding Student Feedback for Teaching, University of Sydney (shared with with Prof. Romalis and Dr. Wait)

2014 Science of Philanthropy Initiative Partnership Award with the Sydney Opera House, from the University of Chicago and Templeton Foundation (USD 500)

OTHER RESEARCH-RELATED OUTPUT

Museum of the National Academy of Sciences, Washington DC (April 2012 – September 2018)

- designed and supervised implementation of an interactive exhibit on Decision-making under Risk (part of the Life Lab: Aging exhibit)

Tymula. 2016. Financial gamble? My brain made me do it. *The Conversation*.

The money or the box. 2016. A story on neuroeconomics for Sydney Alumni Magazine Heritage, July 2016, p. 8-9

Tymula and Glimcher. 2015. Are Adolescents Really Risk-Takers? Most Adults Say YES, but the Science is Starting to Say NO. *Frontiers for Young Minds*, 3:3, doi: 10.3389/frym.2015.00003

- featured on Scientific American Blog Network
- written for the Young Minds of the 2014 USA Science and Engineering Festival

Review of *After Phrenology: Neural Reuse and the Interactive Brain*, Michael L. Anderson. The MIT Press, Cambridge, MA, USA (2014) in *Journal of Economic Psychology*, Volume 51, December 2015, p. 279–280

Tymula. 2014. Explainer: neuroeconomics, where science and economics meet. *The Conversation*.

INVITATION-ONLY WORKSHOP PRESENTATIONS

- 2020 Biology and Economics workshop, Simon Fraser University, Vancouver, Canada
- 2019 Experiments with Children and Non-Standard Subjects at North America ESA Meetings, Los Angeles
- 2018 Inaugural Behavioural Lab Conference, University of Technology Sydney
- 2018 Sloan Nomis Workshop on the Cognitive Foundations of Economic Behavior, Switzerland
- 2018 Workshop on Stochastic Choice at the Barcelona GSE Summer Forum
- 2018 Biology and Economics workshop, Simon Fraser University, Vancouver, Canada
- 2018 Virginia Tech Workshop on Advances in Decision Theory, US
- 2018 Workshop on Neuroeconomics, Queensland University of Technology, Brisbane, Australia
- 2018 Tutorial on Neuroeconomics at the Society for Experimental Finance Meeting, Brisbane
- 2016 BizLab Workshop on New Frontiers in Behavioral Research, UNSW, Sydney, Australia
- 2016 NYU Global Network Experimental Social Sciences Workshop, Abu Dhabi
- 2015 The Biological Basis of Preferences and Strategic Behavior, Vancouver, Canada
- 2014 14th Kavli Futures Symposium Neuroeconomics in China and Asia: Building Interest and Capacity at NYU Shanghai, China (panel leader)
- 2013 11th Kavli Futures Symposium on Neuroeconomics and Urban Big Data, NY (panelist)

INVITED SEMINARS

- 2019 Ohio State University; Neuroeconomics Colloquium, New York University, New York; Daren School of Business, University of Virginia
- 2018 New York University, Abu Dhabi, UAE; Australian National University, Canberra
- 2017 Behavioural Insights Unit, NSW Government, Sydney, Australia; Monash University (Biomedicine Discovery Institute Seminar Series); University of Southern California, US; Caltech, US; Virginia Tech, US
- 2016 Toulouse University, France; Maastricht University, Netherlands; University of Zurich, Switzerland; Melbourne University, Melbourne, Australia; Neuroeconomics Colloquium, New York University, Shanghai
- 2015 Monash University, Melbourne, Australia; University of Sydney (Psychology Colloquium), Australia
- 2014 Queensland University of Technology, Brisbane, Australia; University of Melbourne, Melbourne, Australia
- 2013 Sackler Institute, Cornell University, New York, NY; Toulouse School of Economics, France; University of Amsterdam, Netherlands; Sciences Po, France; University of Bonn, Germany; Kellogg School of Management at Northwestern University, US; Krannert School of Management at Purdue University, US; University of New South Wales, Australia; University of Sydney, Australia;

- 2012 University of Cologne, Germany; George Mason University, VA, US; John Dickhaut Memorial Conference, Chapman University, CA, US
- 2010 LUISS Guido Carli University, Rome, Italy; New York University, NY, US
- 2009 University of California, Berkeley, CA

CONFERENCE PRESENTATIONS

- 2019 Society for Neuroeconomics Annual Meeting, Dublin, Ireland; Economic Science Association Meeting, Loss Angeles, US;
- 2018 Society for Longitudinal and Life Course Studies Symposium invited session on “Health and wellbeing across the life course”, Milan, Italy; Economic Science Association World Meeting in Berlin; Foundations of Utility and Risk at University of York; Asia Pacific Economic Science Association Meeting, Brisbane
- 2017 Society for Neuroeconomics Annual Meeting, Toronto, Canada; SABE conference, Newcastle
- 2016 International Economic Science Association Meeting, Bergen, Norway; Annual Meeting of the Society for Neuroeconomics, Berlin, Germany; EEA-ESEM Meeting, Geneva, Switzerland: The Australasian Meeting of the Econometric Society, Sydney, Australia; Foundations of Utility and Risk, Warwick, UK; Economics and Biology of Contests Conference, QUT Brisbane, Australia; 7th Workshop on the Economics of Health and Wellbeing, Hepburn Springs, Victoria
- 2015 Australia-New Zealand Workshop on Experimental Economics, Hobart, Australia; North America Economic Science Association Meeting, Dallas, TX; Annual Conference on Neuroeconomics: Decision Making and the Brain, Miami, FL; 6th Workshop on the Economics of Health and Wellbeing, Yarra Glen, Australia
- 2014 Annual Conference on Neuroeconomics: Decision Making and the Brain, Miami, FL; Foundations of Utility and Risk, Rotterdam, Netherlands; Asia-Pacific ESA Conference, Auckland, New Zealand
- 2013 Annual Conference on Neuroeconomics: Decision Making and the Brain, Lausanne, Switzerland; The Sixth Annual NYU-CESS Experimental Political Science, New York, NY
- 2012 North-American ESA Conference, Tucson, AZ; Society for Neuroscience Annual Meeting, New Orleans, LA; Annual Conference on Neuroeconomics: Decision Making and the Brain, Miami, FL; Academy of Behavioral Finance & Economics, New York, NY; Foundations and Applications of Utility, Risk and Decision Theory Meeting, Atlanta, GA; International ESA Meeting, New York, NY
- 2011 AWI Workshop on “Behavioral Economics and Life-span Changes in Decision Making”; 2011 North-American ESA Conference, Tucson, AZ; Annual Conference on Neuroeconomics: Decision Making and the Brain, Evanston, IL; International ESA Meeting, Chicago, IL
- 2008 NBER Behavioral Finance Meeting, Boston, MA; ASSET Annual Meeting, European University Institute, Florence, Italy; International ESA Conference, Caltech, Pasadena, CA; La Pietra-Mondragone Workshop, Florence, Italy; ESA European Meeting, Lyon, France

NON-ACADEMIC PUBLIC TALKS AND PANELS

- 2017 Outside the Square, Sydney, NSW
- title: Why so sad? How to be happy: metrics of happiness and depression
 - panel and Q&A discussion in Chippendale’s Creative Precinct organized by the Dean of FASS for U of Sydney graduates
- 2016 Raising the Bar, Sydney, NSW
- title: The science behind Cheat Days
 - 20 academics in 20 bars deliver 20 thought-provoking talks
- 2016 Career days at Sydney Girls High School, Sydney NSW
- 2015 Young Investors Club, Sydney, NSW

2015 Raising the Bar, Sydney, NSW

- title: Speeding Teens and Gambling Grannies: the Surprising Reasons We Take Risks
- 20 academics in 20 bars deliver 20 thought-provoking talks

TEACHING IN THE CORE CURRICULUM

2018- Economics for Business Decision Making, undergraduate, University of Sydney
 2016-2018 Economics Research Dissertation, undergraduate honours and master students
 2015 Bodies, Brains and Minds in Connection: Neuroeconomics, graduate, University of Sydney (guest lecturer)
 2013-2014 Economics for Business Decision Making, undergraduate, University of Sydney
 2007 Advanced game theory, graduate, Bocconi University
 2005-2006 Microeconomics, undergraduate, Bocconi University

TEACHING AT SUMMER SCHOOLS

2019 International Summer Institute for Neuroeconomics, NYU Shanghai, China

- Lectures on Axiomatic Foundations of Economics
- Lectures on Biological and Economic Foundations of Context Effects

2018 Decision-Making under Risk and Uncertainty Workshop, Neuroscience School of Advanced Studies in Venice, Italy

- Lectures on Neuroeconomics of Ageing
- Lectures on Biological and Economic Foundations of Context Effects

2017 International Summer Institute for Neuroeconomics, NYU Shanghai, China

- Lectures on Axiomatic Foundations of Economics
- Lectures on Biological and Economic Foundations of Context Effects

2015 NYU-Duke Neuroeconomics Summer Institute, NYU Shanghai, China

- Lectures on Axiomatic Foundations of Economics

SUPERVISION

Postdoctoral

Vinyak Alladi, University of Sydney (in progress)

Franziska Tausch, University of Sydney (2017-2019)

PhD

Xueting Wang, University of Sydney (graduate, Economics, in progress)

Ange Weinrabe, University of Sydney (graduate, Brain and Mind Institute, in progress)

Hui-Kuan Chung, New York University (graduate, Psychology, completed: 2018)

Master

Julie Guo, University of Sydney (Master in Economic Analysis, completed: 2018)

Xueting Wang, University of Sydney (Master in Economic Analysis, completed: 2017)

Chiara Pastore, University of York (visiting student, Economics, completed: 2016)

Undergraduate honours

Mahdi Akbari (undergraduate, Economics, 2020)

Chi Kit Wong (undergraduate, Economics, 2019)

Tim Robinson, University of Sydney (undergraduate, Economics, completed: 2018)

Robert Avery, University of Sydney (undergraduate, Economics, completed: 2017)

Jackson Whitehair, University of Sydney (undergraduate, Economics, completed: 2014)

Undergraduate

Alex Berger, University of Sydney (undergraduate, Economics, in progress)

Other

Mentor in the Summer Undergraduate Research Program at New York University in 2011 and in 2012

INSTITUTIONAL SERVICE

2019 Speaker at the VIP Alumni Event, University of Sydney

2014-2018 Advisory Committee for the design of the Experimental Laboratory for the new FASS building

2017 Acting Head of School (May-June), School of Economics, University of Sydney

2017 Recruitment Committee for the Early Career Development Fellowship

2017 Delegate at the Sydney Policy Lab Launch

2017 Leadership Team for the Launch of The Sydney Policy Lab

2014-2016 Project User Advisory Group for the new FASS building (Research and Academics)

2014-2016 Coordinator of the U of Sydney-UNSW-UTS Experimental Economics Brownbag Seminar

2015 Advisory Board Member for the transition of the Brain and Mind Research Institute to Strategic Priority

Area for Research Collaboration (SPARC) (the only representative from FASS, 42 representatives from 8 faculties)

2015 Brain and Mind Research Institute SPARC Funding Assessment Panel (allocated ~\$500,000 to multidisciplinary projects at the University of Sydney)

2015 Information Session on Opportunities in Dementia Research (speaker)

2015 Consulted for Maud Design Agency on the new brand and visual image of the University of Sydney (as an expert in behavioural economics)

2015 Level E Academic Titles Committee (appointed Prof. Cawley from Cornell University as a Visiting Professor)

2015 Junior Recruitment Interview Panel Member

2014 Dean's reception event for VIP Alumni (speaker)

CONFERENCE ORGANIZATION*Conferences organized or co-organized*

2020 Foundations of Utility and Risk, University of Technology Sydney, Australia

- keynotes: Silver Prof. Paul Glimcher (NYU), Prof. Muriel Niederle (Stanford), Distinguished Prof. John Quah (National University of Singapore), A. Douglas Melamed Prof. Larry Samuelson (Yale), Uwe E. Renhardt Prof. Leeat Yariv (Princeton)

2019 Sydney Workshop on Experimental Economics and Theory, University of Sydney, Australia

- keynotes: Prof. Andy Schotter (NYU), Prof. Bettina Klaus (University of Lausanne), Prof. Peter Moffatt (U of East Anglia)

2018 Behavioural and Experimental Economics and Finance Workshop, University of Sydney

- keynotes: Prof. Mohammed Abdellaoui (HEC Paris), Prof. Peter Bossaerts (U of Melbourne), Sarah and John Lindsey Prof. Catherine Eckel (Texas A&M), A/Prof. Keith Ericson (Boston University)

2018 Workshop on the Experiments and Behavioral Interventions in Schools, University of Sydney

- keynotes: Prof. Simon Burgess (U of Bristol) and Prof. Martin Kocher (U of Vienna)
- attended by academics and delegates from the NSW Department of Education

2017 Foundations and Applied Research Workshop, University of Sydney

- keynotes: A/Prof. Giorgio Coricelli (University of Southern California), Epstein/Atkinson Endowed Prof. Uri Gneezy (University of California in San Diego), and Prof. Graham Loomes (U of Warwick)

Program Committee

2020 Foundations of Utility and Risky, Sydney, Australia

2019 European Economic Association Meeting, Manchester, UK

2018 Asia Pacific Economic Science Association Meeting, Brisbane, Australia

2017 Society for Neuroeconomics Annual Meeting, Toronto, Canada

2017 Society of the Advancement of Behavioral Economics Conference, Newcastle, Australia

2016 Society for Neuroeconomics Annual Meeting, Berlin, Germany

OTHER SERVICE

2019 Society for Neuroeconomics Early Career Award Committee Chair

2019 Co-director of the International Summer Institute for Neuroeconomics

- co-directors: Prof. Nathaniel Daw (Princeton), Silver Prof. Paul Glimcher (NYU), Baird Term A/Prof. Joseph Kable (U of Pennsylvania), A/Prof. Hilke Plassmann (INSEAD), A/Prof. Agnieszka Tymula (U of Sydney)

2018 Society for Neuroeconomics Early Career Award Committee Member

2017 Co-director of the International Summer Institute for Neuroeconomics

- co-directors: Prof. Nathaniel Daw (NYU), Silver Prof. Paul Glimcher (NYU), A/Prof. Hilke Plassmann (INSEAD), A/Prof. Agnieszka Tymula (U of Sydney)

2016 Society for Neuroeconomics Best Poster and Talk Award Committee Member

2015 Co-director of the NYU-Duke Neuroeconomics Summer Institute

- co-directors: Prof. Nathaniel Daw (NYU), Prof. Paul Glimcher (NYU), A/Prof. Ben Hayden (U of Rochester), A/Prof. Hilke Plassmann (INSEAD), Prof. Michael Platt (Duke University), A/Prof. Agnieszka Tymula (U of Sydney), Prof. Xiao-Jing Wang (NYU)

REFEREEING

Journals:

Econometrica, American Economic Review, Journal of Public Economics, Games and Economic Behavior, Management Science, Cognition, Experimental Economics, Journal of Economic Behavior and Organization, Scandinavian Journal of Economics, Labour Economics, Journal of Economic Science Association, Economic Enquiry, Journal of Neuroscience, Psychology and Economics, Scientific Reports, Social Cognitive and Affective Neuroscience, Frontiers in Decision Neuroscience, Frontiers in Psychology, Journal of Experimental Criminology, Economic Record, Journal of Experimental Child Psychology

Grants:

National Science Foundation (US), Swiss National Science Foundation, Australian Research Council (DECRA, DP, FT), Lyon University

PROFESSIONAL AFFILIATIONS

American Economic Association, Society for Neuroeconomics (Elected Board Member), Economic Science Association

SELECTED MEDIA COVERAGE

2019 Consulted for ABC TV Science show Catalyst on the Psychology of Risk

2017 I gave live interview for ABC radio breakfast about my PLoS ONE publication "Let the Sunshine in? The effects of Luminance on Economic Preferences and Rationality". This paper was also covered by / I gave interviews for ABC AM, ABC Radio Perth, Business Insider, Yahoo News, Mic, MSN UK.

2016 I gave live interview for BBC World Newsday about my publication "Neuroanatomy accounts for age-related changes in risk preferences". This paper was also covered by / I gave interviews for ABC Radio National, Huffington Post, Guardian UK, Business Insider, Science Daily, Health Canal, and Daily Mail.

2015 I talked about my work on decision-making across the lifespan for the ABC's RN Drive "It is All Academic" radio show.

My work on ambiguity tolerance across the lifespan was covered in: Fast Company, The Scientist, City A.M.

2014 My paper "Neuroanatomy predicts risk attitudes" was covered in Wall Street Journal, Economic Times, Science Daily, Daily Digest News, Medical Research, Medical Express, Headlines and Global News, Health Canal.

The Conversation: article "Explainer: neuroeconomics, where science and economics meet"

2013 My paper "Like cognitive function, decision making across the life span shows profound age-related changes" was covered in ABC Science Online, Business Insider, Health Canal, South China Morning Post, Time, myScience, Medical Research News, Medical Daily, Healthline News, Financial Standard, Spiegel, Le Figaro.

My paper "Thirst-dependent risk preferences in monkeys identify a primitive form of wealth" was covered in ABC Science Online, Businessweek, Daily Mail, Yahoo! Finance, The Atlantic, Psych.org, Salon.

2012 My paper "Adolescents' Risk Taking Behavior is Driven by Tolerance to Ambiguity" was covered in Time, LA Times, US News, NBC News, CNN, The Boston Globe, Portland Press Herald, ScienceDaily, HealthDay, WomensHealth.gov, NewsDay, LiveScience, Yahoo! News, UK BBC The Naked Scientist radio show, Radio 720 WGN The Voice of Chicago and included in Maintaining Safe Schools, a monthly publication sent to K-12 school administrators nationwide in an effort to ensure a safe learning environment in US schools.

My paper "Measuring the Subjective Value of Risky and Ambiguous Options Using Experimental Economics and Functional MRI Methods" was covered in ScienceDaily, ScienceNewsline and Medical News Today.
